A 'Bicester Athletic Club' Appeal to all parents and guardians.

Will you be fed up with Christmas shopping .. .. .. written your last card .. .. .. ordered the turkey.. .. by Sunday 11th December. Then can you spare a couple of hours of your time from around 09:30 am? Please come and support the club and assist at the Andy Reading 10K Road Race. You do not need any previous experience as will be fully briefed at the event.

This is the clubs major fund raising event and and an opportunity to support many local groups along with **The Hummingbird centre in Launton** who will be the main beneficiary this year.

We would really appreciate and value your help as the club funds raised allow us to improve our facilities, equipment and coaching, benefitting all the children in the club.

If you are able to help at this event or have any questions at all please contact Steve Flynn on 07761098333 or email stephen.r.flynn@btinternet.com. Alternatively return the slip below at a training session.

Please note that there will also be junior races within the Bicester Sports Association Complex. Entry forms and details are available on the club website. **www.bicesterac.co.uk**
