

Hi Athlete and parents,

Sometimes we have to cancel training and in extreme cases competitions. Most of the time we can give adequate notice but as with last night, a last minute decision had to be made for safety reasons and we only had time to use Facebook and Teamer.

When we have to cancel training a message will be posted on the Bicester AC Facebook page (follow this link: <https://www.facebook.com/Bicester-Athletic-Club-389596354560410/> ).

We will also create a post in Teamer team talk and you will receive an email like the one below:

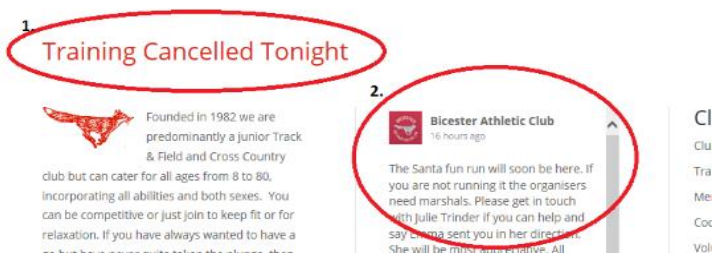

If you are using the Teamer app on your phone you will also receive a notification from the app as well.

A message will also be posted on the clubs website <http://www.bicesterac.co.uk/> (1), you can also view the most recent Facebook post on the website (2).

Welcome To Bicester AC

An email communication will also be sent out.

On the rare occasion that a competition gets cancelled we will do all of the above, time permitting. But instead of receiving a request to attend from Teamer you will receive a cancellation notification.

Cancelling training is not a decision Bicester AC likes to make but safety has to come first.

Thank you for your understanding and please keep tabs on the communication outlets when the weather is unfavorable.

Paul Groves,  
Bicester AC.
